Come join in the fun and learn what your heirlooms and antiques are worth in today's market. Antique dealers and appraisers Dolores Murphy and Ralph Leed are generously volunteering their professional services to help our Society fund-raising. **All area residents and their friends are invited to bring their treasures for an appraisal** (please no coins or stamps). The appraisal charge will be **\$5.00 per item**, and any number of items can be brought. Dolores and Ralph have conducted these appraisal sessions many times around the county, most recently in Red Hook. Many who have brought their antiques have been pleasantly surprised with their current value. And, they get to know a little more about their treasures as well. Open 10AM - 4PM. Tell Your Friends!!

All proceeds will go to the preservation of our 1777 Creek Meeting House (Historical Center) and our newly acquired 1865 Masonic Hall. We are very grateful to Dolores and Ralph for their support to our programs.

**"Farming in Clinton: A History"**

by Dave Teter

Our heritage in Clinton stems from a strong industry of farming. We are still considered a rural area, but the hills that are forests now were once cleared, plowed, and growing crops. Dave Teter of the Cornell Cooperative Extension in Millbrook will give us more incite as to what this important past really was. Dave has spent many years with the Extension working in matters of agricultural with our local farmers. Besides having interest and knowledge in its history, Dave is directly tied to the changes affecting our farmers. What was notable in the past? What is the future for farming? How will the changes affect our town? This is great opportunity to hear a local expert on the history and current issues and opportunities.

**BRING A FRIEND! NON-MEMBERS WELCOME!**

**COMMUNITY DAY A SUCCESS**

*We are very grateful to the volunteers who labored hours in our exhibit, food booth, Promise Tree, raffle, and information/book sales booth. With a few more purchases from our Promise Tree, we will clear \$2,000 to support our programs. This is an important fund-raiser for us.*
