Scott and Carol Derby have been loyal supporters of our Coffee House since its inception and have been hailed by our audiences. Known as "Mr. Energy" at the Schultsville venue, Scott delivers an enthusiastic mix of country, rock, and folk with the able assistance of his wife Carol on vocal. His original works speak of life of the everyday worker, truck driver, and lover. No one gets more sound out of his guitar....come hear a great performance! And, always pleasant treats from our 'walk-ins'.

## NEXT MEETING: SEPT. 8 ROMBOUT HUNT CLUB

For almost 70 years, the Rombout Hunt Club has been a famous and active organization promoting equestrian skills and the traditions of this age-old international sport. Located on Hollow Road, the Club has over 60 hounds to participate in an active hunt season and in area shows. Master Betty Davis will give us a view of the long history of the Club, its traditions, and tell us how a hunt is conducted. Learn about the Huntsman's role in leading the hunt and training the hounds, about the Whip, 'cubbing season', and the important relations with landowners. The Rombout Hunt Club has been distinguished in being rated as one of the top 3 kennels in the United States. We thank them for providing pony rides for our children every year at Clinton Community Day.
