CLINTON HISTORICAL SOCIETY

COMING EVENTS

PLEASE
NOTE

1. **A SPECIAL EVENT ON COMMUNITY DAY** - Saturday, September 5, at the Grange in Clinton Corners from 11 AM to 3 PM. The Society has set up a camera to duplicate old photographs. Please bring your old photographs, post cards, broadsides, and anything else the camera can copy. We will copy anything that pertains to Clinton people, houses, sites, scenes, etc. We will also have a copier available to reproduce documents (diaries, ledgers, family trees, etc). All photo and document copies will be made on the spot, and your originals returned to you before you leave. The copies we make will be added to our growing historical town archive. If in doubt, bring the photo or document anyway. And...tell your friends!

2. FALL PROGRAM

Sept. 11 - Friday **7:00 PM** at the home of Viola & Emil Schoch on Fiddler's Bridge Road (Primrose Hill Farm). We are going to visit the site of the **Fiddler's ghost** to have our program after which refreshments will be served.

Oct. 2 - Friday 7:30 PM at the Town Hall - Schultzville.

Maude Talleur Bartles will talk about Community Day during and after **World War I**, when the only traffic to contend with was the horse and wagon. Old photographs of the event and of her family have been reproduced into slides, and will spice up the program. The Talleur family came to Clinton in the early years of the 20th century. You should see the slide of Kelsey Wirehouse in a football uniform - it was a real surprise!

Nov. 6 - Friday 7:30 PM at the Town Hall - Schultzville.

Alson Van Wagner will talk about poultry farming. His father was in on it from the beginning when dairy farming began to decline as an industry after World War I and during the Great Depression.

Dec. 4 - Christmas Party - details later.

UPDATE ON THE MUSEUM PROJECT - the membership of the Upton Lake Grange has enthusiastically approved the proposal made by the Society regarding establishing a Museum in that building. More details to follow.
