

## PAMPERED CHEF COMING

**Wed. Oct. 10 1PM & 7PM**

**at the Historical Center**

We are pleased to announce that our society will be holding a first-ever "Pampered Chef" kitchen products fund-raiser. Two sessions will enable members, friends, and the community to get together to try new recipes and see what is new in cookware and utensils to make food preparation easier. Recipes demonstrated will be healthy and delicious! Sixty percent of the items available are \$10.00 and under, as well as a line of high quality blades, stoneware, and cookware. Pat Ruff is our hostess and may be contacted at 266-5729. Pick a session, bring a friend, and **come join the fun!**

**"CLINTON VINEYARDS"**

**by Phyllis & Ben Feder**

Clinton Vineyards on Schultzville Road is a town landmark and visited by many. It's a popular tourist attraction that brings visitors from far and wide by bus to enjoy fine wine and our Clinton countryside. Phyllis and Ben will give us a view of the wine industry and wine-making, a background on their business and its impact on Clinton, and the status of preserving open spaces in our town. This presentation is sure to please - - Bring a Friend!

## PROGRESSIVE DINNER OCT. 20

By popular demand, our annual fundraiser returns and will begin with wine and cheese at one home, then travel to another home for the entree, then have everyone meeting at the Historical Center for dessert and coffee. This is a great opportunity to meet new friends, enjoy special food in a warm and friendly atmosphere, and support the Society. It is open to all members and friends. We thank the hosts who have volunteered, but we still need a few more. To be a host, please call Glenda Schwarze at 266-5203.

## RAILROAD EXHIBIT A SUCCESS

We had a **great turnout** to view our annual summer exhibit which featured the Harlem Valley R.R. and a model railroad. A great deal of time was spent researching and mounting the exhibit, and we thank our dedicated team for their achievement:

**George Greenwood, Bill McDermott, Jack Cleary, Woody Cohen, Woodrow Devine.** Also thanks to **Paul Thompson and Joseph Duffy** for their unique telegraphy demonstration!

Thanks also to the **volunteers** who hosted each weekend. We count ourselves fortunate as a Society to have members and friends who donate their time and talent for community benefit!
