

Clinton c1800 Map

A hand drawn map by former CHS President William Benson of the Town of Clinton (excluding Hyde Park and Pleasant Valley, which separated from Clinton Precinct in 1821) at the end of the eighteenth century. Houses shown are either specified in deeds or probable due to sales price. Roads shown as solid lines were public roads. Dotted lines show later roads or changes. The result of countless hours of research.

Year:	1990 (approx.)	Price:	\$15.00
Size:	18"x23"	Shipping:	\$4.00
